

Archibald Auction of Promises 2026

In October we'll be holding our annual PTFA Auction of Promises to raise money to support trips, visits and the purchase of equipment for the children. We'd love to have as many offers of Promises as possible - everyone has something they could offer so get your thinking caps on and let us know what you could Promise!

Promises can be big or small and can come from individuals or businesses. It could be something you do professionally (a PT session, a photo shoot, a first aid class) or as a hobby (a tennis lesson, a Christmas wreath making session, a bespoke treasure hunt), lending something of yours (a night in your holiday rental, a guest pass for your sports club, your carpet cleaner) or giving up your time (babysitting, dog walking, a couple of hours of DIY).

Promises of food are always popular (could you make a Christmas cake, deliver someone Sunday lunch or your signature dish?) as are Promises showcasing food or traditions from different cultures, or why not offer to introduce another family to something they may not have tried before (paddle boarding, bird watching or crafting).

You can see the Promises from last year here for further inspiration: <https://auctionofpromises.com/AuctionforArchibald2025>

The Auction is run via an online platform which works a bit like eBay, and every offer, big or small helps us raise more money for the school. Only Archibald families can bid and winning bidders will be put in contact with Promisers by the PTFA team. Promises can be delivered / performed at any point so don't worry if Autumn isn't the right time of year for your offer.

If you have any questions or want to run a suggestion by us just email ArchibaldAuction@gmail.com or if you're ready to offer a promise please complete this brief form by the end of September
