September 2026

Dear Parents

We are thrilled to welcome Julian Hughes from GEM Education to do a coding session with the Year 3 children on Friday 2nd October.

The children will make their own controllers using Makey Makey and create their own game to play with Scratch. This will build on the skills they have been learning with the teachers this half term in Computing. The children love Julian's workshop and it really helps them to apply the skills they have learnt in a new way.

The cost of the workshop is £6.00 per child which will be added to ParentPay.

I can't wait to see how the children impress Julian with their skills.

Yours sincerely

Mrs Jones
Computing Lead

Having fun, learning together.
Curious, caring, creative and courageous.
