

16th October 2017

Dear Parent/Guardian,

The winning team for this half term was Team Grey. Children earn team points throughout the year for sensible behaviour, good work and following our school rules. This half term your child's team was awarded the most points and their team treat will be held on Friday 20th October 2017.

On this day children in the winning team are allowed in to come to school in non-uniform and will be treated as VIP's for the day. They will be given special jobs and treats in school as a reward for all of their hard work.

Only children in Team Grey are invited to come into school in non-uniform on this day.

Thank you for your continued support.
