## Archibald Red Admiral Project

Dear Parents/Carers,

During these unprecedented times, we have constantly been discussing how to bring the Archibald school community together as a collective regardless of whether your child is currently accessing a place or not. Therefore, we would like to announce the Archibald Red Admiral Project, which provides everyone across our school community the chance to participate in a whole-school project.

This project will allow us to create a fantastic display inside the school building that will remind us all of the challenges that we overcome during these unprecedented times whilst also allowing us to look forward to the aspirations and ambitions we have for the future. I know first-hand from the phone calls to families across the school community that you have all come across some unexpected positives and also challenges along the way during this period of lockdown.

#ArchibaldRedAdmiralProject

We have enclosed a packet containing the 4 Archibald Red Admiral Butterflies for you to design as you see fit with colour, symbols, words etc.

- Please use the colour red in your design to represent Archibald
- Remember to colour both sides
- Include your name in your design
- Cut them out before returning

We will place a post box outside of the school office. Please feel free to walk along and pop your cut out and completed butterflies in. We would like these to be returned for Friday 10<sup>th</sup> July. *We will also place copies next to the post box in case you are unable to print from home.*

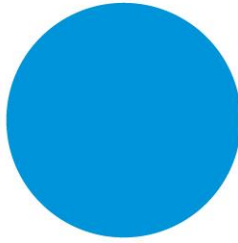

If you require any clarification or inspiration, please do not hesitate to contact your child's class teacher by emailing [admin@archibald.newcastle.sch.uk](mailto:admin@archibald.newcastle.sch.uk) The teacher will be more than happy to discuss this project with you.

Thank you for your continued support,

Mr Bourke & the Archibald Team

**Having fun, achieving excellence.**

Successful learners. **Confident individuals.** **Responsible citizens.**
