

The Archibald First School Experience

At Archibald First School we want all of our children to experience enriching visits and visitors linked to their learning.

We want all of our children to experience the cultural offer of the North East and to explore the different areas of our locality.

What should all of our children have had the opportunity to experience before they leave Archibald?

We hope that each of our children will have had the opportunity to do the following by the time they leave Archibald at the end of Year 4...

- A Theatre Show
- Swimming Lessons
- Beach visit
- A local museum
- An Art Gallery
- The chance to compete
- The opportunity to perform in school
- Visits to different places of worship
- A School Residential
- To play a musical instrument
- To learn a Modern Foreign Language
- Take part in Forest School
- Learn to ride a bike
- To be inspired by others in a variety of careers
- Travel on the metro
- Visit the local library

These are our plans for 2022-2023:
