

SCHOOL TRAVEL SURVEY FEBRUARY

Come on Archibald, let's leave the cars at home and travel to school in an active way.

- 0 wheelchairs (0%)
- 19 bikes (7%)
- 22 scooters (8%)
- 185 walkers (64%)
- 4 bus riders (1.0 %)
- 61 car users (21%)

Last February, we had 78% NOT travelling by car. Can we get up to 85% in March? Let's aim high!!!

In March we will also ask who parked away from school and not on Archibald Street..
